

Sponsorship Opportunities

Help preserve Montclair's story for future generations.

The Montclair Community Time Capsule is a collaborative community effort to collect and preserve the letters, photographs, artwork, mementos, memories, and reflections that help tell the story of life in and around Montclair in 2026. Contributions from community members will be sealed in a time capsule in November 2026 and reopened in 2076, creating a record of this moment in time for future generations.

The project is being developed in collaboration with Montclair Art Museum, Montclair History Center, Friends of Howe House, Montclair Public Library, Downtown Montclair, the Montclair Cultural Arts Advisory Committee, and The Traveling Diary.

YOUR SUPPORT HELPS FUND

- Community participation activities
- Letter-writing workshops and public programming
- Documentation of community participation and project milestones
- Preservation and archival materials
- Time capsule fabrication and installation
- Technology and participant stewardship infrastructure
- Permanent memorial marker at Howe House
- Interpretive plaque documenting the project
- Community outreach and project implementation

COMMUNITY SPONSOR HONOR ROLL

Displayed at community participation events, workshops, exhibits, and the sealing ceremony — recognizing the organizations, businesses, foundations, and community supporters helping make the Montclair Community Time Capsule possible.
